

STEP TO SOLVE THE PROBLEM BLANK PAGE

BROWSER : CHROME

The first screenshot shows the browser address bar with the URL <https://smp.upm.edu.my/smp/action/main/indexSmpAppI>. A callout box labeled "Click" points to the address bar.

The second screenshot shows the same browser window with an "Insecure content blocked" dialog box. The dialog box contains the text "This page is trying to load scripts from unauthenticated sources." and a link "Load unsafe scripts". A callout box labeled "Click" points to the "Load unsafe scripts" link.

The third screenshot shows the application portal interface. The address bar now shows "Not secure" and the URL <https://smp.upm.edu.my/smp/action/main/indexSmpAppI>. The page content includes a table of applications.
